Hand Him What He Needs

He is three thousand miles from home, with the torment of battle before him, and only *YOU* behind him. He is depending upon you to keep the supplies coming in a steady, unfailing stream. He asks this, and no more.

And what do *you* ask of *him*? Rather, what do you demand of him?

You demand that with dauntless valor and unswerving purpose, he endure the horrors of the fiercest conflict the world has ever known—

—that he stand serene amid a seething hell of bursting shell, liquid fire, poison gas, tear bombs—the “made in Germany” war that has spread desolation over half the world—

—that he lay down his life to keep intact that thin line of heroes forming the bulwark between you and the autocracy that planned and relentlessly executed the rape of Belgium, the ravishment of Serbia, the ruin and dismemberment of Russia—

—that he bring back to you, unstained, the flag of the Republic, the flag that first among nations symbolized the dawn of that very liberty for which he is now fighting.

Who has the better of the bargain?

Buy Liberty Bonds

Buy them at once—today! Buy all you can possibly pay for, though you have to stint to do it. And be thankful that in serving your country you are serving yourself, for these Bonds are a first mortgage upon every acre that Uncle Sam holds in his wide domain; upon every farm and home and industry in the land; upon every income or salary.

Everything *you* own is behind these Bonds. And everything that you have or hold dear, is at stake in this war.

If you can't pay cash for your bonds, you can borrow a part of the money at your bank, using the bonds as security, or you can buy them at your bank on easy partial payment plan. It is no trouble to buy Liberty Bonds; it is no trouble to pay for them. See your banker today.

TAKE YOUR CHOICE: LEND YOUR MONEY TO UNCLE SAM, OR PAY IT IN TRIBUTE TO THE KAISER.
